## 3-MIX CAT Meat & Cereals (10 kg)

Basto 3-Mix Cat consists of a unique combination of high-quality meat, fish and grains. The tasty and highly digestible dry pelleted feed is suitable for all young and adult cats.

- The food contains salmon oil to support optimal health and immune system;
- With adequate omega 3 / 6 ratio for optimal skin and coat condition;
- A complete cat food with all essential nutrients;
- The food contains natural anti-oxidants.

**Ingredients:** Cereals, meat and animal products, vegetable protein extracts, fish oil (salmon), fats, minerals.

## DINNER

Meat & Cereals (15 kg)

Basto Dinner is an inexpensive and tasty flaked product, suitable for all adult dogs with a low to normal activity. The food is prepared with good digestible ingredients for a healthy digestion.

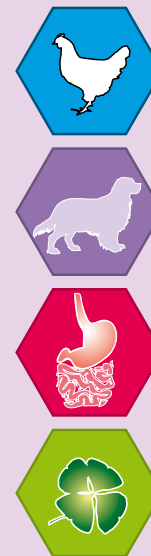

- A complete food with all essential nutrients for a balanced diet;
- The food is extremely appetising;
- The formula has a low fat level - therefore suitable for dogs prone to obesity or dogs with a low activity level.

**Ingredients:** Cereals, meat and animal products, vegetable products, oils and fats, minerals.

## ADULT CROC

Extra Meat & Cereals (15 kg)

Basto Adult Croc is an extruded dog food for all adult dogs with normal activity. The feed contains the very best ingredients and additional animal proteins from chicken.

- Contains a minimum of 20% dried chicken;
- With adequate omega 3/6 ratio for optimal skin and coat condition;
- The formula contains a balanced ratio of all nutrients;
- The food contains natural anti-oxidants.

**Ingredients:** Cereals, meat and animal products, oils and fats, vegetable products, minerals.
